6 concerts in the SÉRIE HOMMAGE for Gilles Tremblay
1 October | 6 December | 11 February | 18 March | 15 April | 27 May

Gilles Tremblay is on every stage: this year the SMCQ has lined up an entire season devoted to the dedicatee of the 2009-10 SÉRIE HOMMAGE. Six concerts will open up a whole new world on Tremblay, as well as those who shared his journey (Claude Vivier, Yves Daoust, Walter Boudreau, and more). The whole will get underway with works composed in his honour by former students (Jean Lesage, Estelle Lemire, and Michel Gonneville)—with the SMCQ, this portrait of a composer who “made” history takes on a whole new look, as a landscape of Québécois music. - **Details available at www.smcq.qc.ca**
